LAND USE PERMIT APPLICATION - INSTRUCTIONS

As required in WMC 16.08.010, Permits Required, a developer must obtain approval prior to the establishment of a use or before doing any site work except surveying. A land use permit is only valid during the developer's compliance with WMC Title 16, Land Development Code, and any additional terms and conditions set by the city planner. A violation of WMC Title 16 or any additional terms and conditions related to your land use permit will automatically invalidate the permit issued to you by the City of Wasilla.

Applications for land use permits may be submitted to the Wasilla Planning Office during regular business hours. If you have questions or would like to make an appointment to discuss your plan, please call 373-9020. Please note that separate applications are available for Conditional Use Permits, Variances, Amnesty, Rezone, and Shoreline Setback Exceptions.

To submit your Land Use application to the city planner, you must have:

- A completed land use permit application signed by the property owner;
- Site Plan of the proposed activity;
- Landscaping plan (* NOTE: A landscaping plan is **not** required for a single family dwelling and accessory uses on a lot containing no more than one dwelling unit or uses located within the Wasilla Municipal Airport. (WMC 16.33.020));
- General approval criteria responses.

A Land Use Permit Application fee is required at the time of submittal. Fees vary depending upon the type of permit requested. Fees are as follows:

- \$50 for AA, Administratively Approved Land Use Permit
- \$100 for UP, Use Permit
- \$500 for a CUP, Conditional Use Permit

You may also be asked to provide copies of the following:

- Matanuska-Susitna Borough Flood Hazard Area Zone A Permit. (if applicable);
- Permits issued by Alaska Department of Natural Resources, Department of Environmental Conservation, Department of Fish and Game, US Army Corps of Engineers; US Environmental Protection Agency, or other agency;
- State of Alaska, Dept. of Public Safety, Division of Fire Prevention Permit.

SITE PLAN REQUIRED

A **Site Plan** must be submitted with your application. It must be prepared and stamped by an architect, professional engineer or land surveyor, and must contain all information stated in WMC 16.08.015 and also including:

- Title block;
- Scale (for example 1 inch = 10 feet, etc.);
- North arrow;
- Property boundary, streets, existing and proposed public utility easements;

- Setbacks or buffering features;
- Existing and proposed improvements;
- Commercial uses need to show location of trash receptacles/fuel storage facilities; snow storage area;
- Street access, driveway and parking areas; lighting;
- Location of any sensitive or hazardous areas;
- Landscape plan (if applicable);
- Any other applicable requirements of the Wasilla Development Code;
- Other applicable information related to the activity.

PERMIT EXPIRATION

Permits automatically expire twelve months after issuance if no significant construction, activity or occupancy has occurred. A new application must be submitted if no significant construction, activity or occupancy has occurred within twelve (12) months.

APPEAL

Any interested person may appeal a decision or order of the city planner to the planning commission by filing a written notice of appeal with the city planner on a form provided by the city within fifteen (15) calendar days after date of the decision or order. The notice of appeal shall state with specificity the grounds for the appeal, include the appellant's mailing address or that of the appellant's attorney, and be accompanied by a filing fee of \$250. An appeal to the planning commission stays the effectiveness of the decision or order of the city planner until the planning commission finally decides the appeal; provided, that the planning commission may vacate the stay if doing so is necessary to avoid immediate danger to public health and safety.

REVOKED PERMIT

Failure to comply with any requirement of the Land Use Permit or the Wasilla City Code may result in your land use permit being revoked by the City Planner.

COMPLIANCE WITH OTHER AGENCIES

If a City of Wasilla Land Use Permit is issued, it does not relieve the applicant of the responsibility for compliance with any other required local, state or federal laws. The city planner suggests that you contact the agencies below prior to applying for a City of Wasilla Land Use Permit:

- If you are constructing a building that is not a single family dwelling or a duplex, you must contact the Matanuska-Susitna Borough Fire Code Office at 373-8830 and comply with their regulations.
- To find out if your property is located within a federally designated Flood Hazard Area Zone A, contact the Matanuska-Susitna Borough Compliance Division located at 350 E. Dahlia Avenue in Palmer, or call **745-9853**. If the property falls within Zone A, a separate Borough permit is required. The project or action must also comply with all applicable MSB rules.
- The project or action must also comply with applicable requirements of the agencies such as Alaska Department of Natural Resources, Department of Environmental Conservation, Department of Fish and Game, US Army Corps of Engineers; and US Environmental Protection Agency.
